

CREATION FEST

CREATIONFEST.ORG.UK

Thank you for your interest in spreading the word about Creation Fest.

We have put together a great set of resources for anyone to use to tell their church, friends and family about the festival.

On the *Spread the Word* page of our [website](#) you can download:

- 2018 social media images
- 2018 posters
- 2018 powerpoint presentation, with presentation notes
- 2017 highlights video

If you would like to register to become a church ambassador, we would love to send you a kit that would also include the following resources for you to display or give out at church:

- 2018 posters and flyers
- 2017 annual reports
- Invest in the Fest flyers for individual giving
- A church partnership letter for your treasurer or church leadership team

All you need to do is email office@creationfest.org.uk with your name, church and address, and we will get a pack sent out to you straight away.

Many thanks for helping to spread the word about Creation Fest. See you in August!
