DISCOVER YOUR PERFECT CREATION FEST...

YOUNG & ACTIVE

Get your skate on at the South West's largest temporary skate park, check out the Fitness Factory or head to the sports pitch & street cage for sport on the hour, every hour. Inflatables, fireworks and late-night shenanigans. Who says faith, fun and fitness don't go together?

FAMILIES & KIDS

An action-packed kid's programme, stay and play and daily family worship. Plus, a brand-new Youth Village: four venues, bands, speakers, activities, late night fun and outreach opportunities. Because growing up is an adventure best done with friends.

CAMPING

Set in the glorious Cornish countryside and just six miles from the sea, come for the day or camp for the week with your friends, family, church or youth group. Dedicated youth zone, quiet camping and Abide, 18-30's camping village. Too posh to pitch? Hire a podpad and camp in style!

THINK & REFLECT

Seminars to make you think, daily Bible studies, and plenty of places to relax with a coffee and catch up with friends. Spend some time in the prayer tent or check out a lakeside live acoustic set. Just because it's a festival doesn't mean you can't find some soul space.

MUSIC & CREATIVE

Our beautiful Big Top hosts all-day music, and the Big Shed nightly concerts feature an array of international artists from every imaginable genre. Love to express your creative side? Check out the Arts Workshops for theatre, dance, graffiti art, spoken word, pottery, poetry and more!
