

THE CREATION FEST BIG WEEKEND

HOPE IS HERE

30 JULY - 1 AUGUST 2021

CREATIONFEST.ORG.UK

Welcome

#CF21UK

At Creation Fest, our heart has always been to **celebrate the good news of the God who loves us** through festivals, events and gatherings designed to creatively communicate the Christian faith and inspire others to do the same.

We love to put on brilliant, free, fun events that bring Christians closer to Jesus, and that are accessible and attractive to those who don't know God or who are on the fringes of church community.

If you've ever been to our event in Cornwall, you'll know that alongside quality Bible teaching, worship, seminars and nightly music concerts we have a host of exciting activities including a skate park, sports activities, kids and youth activities, silent discos, live music and so much more. All this is designed to draw in the largest possible audience, coming for the fun but staying to hear the good news of the God who loves them.

Though a little different than previous years, we are so delighted to be able to gather again in-person this summer! A little more grassroots than in previous years, we have been working hard to plan a safe, in-person event that encapsulates all that makes Creation Fest unique. Whether through music, Bible teaching, skate, sports, or creative activities, we've created spaces for the faithful and the fringes to encounter Jesus.

Our vision is that the Creation Fest Big Weekend **refreshes the church** and **re-imagines mission**, becoming a catalyst for creative Gospel proclamation. At a time of great change, there is an unprecedented opportunity to encounter Jesus and be changed ourselves. There also is no better time to invite our communities to experience the life-changing hope of Jesus and to impact our nation with the good news of Jesus Christ and the hope only He can bring.

We are praying that none of us will ever be the same again.

Christians supporting Israel and building relationships between Christians and Jews in Israel and around the world.

It is our desire to see Christians and Jews working side by side for better understanding and a more secure Israel.
